

Podcast and Portable Media Expo Announces “Best of Show” Award Winners

Winning products, services and software range from microphones to mobile podcast aggregators and represent many of the leaders in the rapidly expanding podcasting industry.

Ontario, California – September 29, 2006 – Podcast & Portable Media Expo today announced the winners of the “Best of Show” awards for the 2006 event taking place this weekend outside Los Angeles. The 2nd Annual Expo is the only industry event that brings together influential podcasters, media, corporate executives and device makers to cover the complete range of business objectives for podcasting and portable media.

Winners are selected by a committee of attendees in a variety of categories and recognizes outstanding products, software and services for creating and consuming podcasts and other portable audio and video content.

The winners are:

Best "All-Inclusive" Podcasting Software:

Podcast Station (<http://www.podcaststation.com>) from Audion Laboratories
